Introduction

In celebration of the millennium the DeKalb County Indiana Genealogy Society introduced a Pioneer Settlers Program. Applicants were to be descendants of DeKalb County Indiana pioneer settlers living in the county before 1850.

Charter pioneer applicants were recognized at the Annual Banquet August 12, 2000 held at Norris Chapel, DeKalb County Indiana. After this date applications were still being accepted. No cut off date has been established for applying. Applications can be picked up at any library in DeKalb County, by writing to the society, or on the Internet at: http://www.rootsweb.com/~indkigs/main_page.html.

Documented evidence submitted by applicants is not included in this book. All applications and documentation on non-living people has been microfilmed and will be available at the Eckhart Public Library in Auburn, Indiana. All applications and documentation will be made available to all DeKalb County libraries.

Louisa	24 Jun,1820	Maryland	Jan,1898	DeKalb Co.,IN	Peter Simon	25 Dec,1838

There are nine children listed above. Barbara Elizabeth is one person. The name appears on two lines in order to fit it on the page. These are the children of Peter Fair and his first wife who is believed to be Hannah Cornell. Note that Mary, who was inadvertently listed here as the fourth child, is, in fact, the eldest. Also, Mary's spouse is listed as William Garretson Harkrider. This is what is shown in my records but I suspect that Mary was married twice; the first husband being William Garretson, the second Husband with a last name of Harkrider. While the Fair family lived in Ohio, census records show that they had a neighbor named William Garretson.

Sometime between 1820 and 1830 the family moved from Maryland to Montgomery Co., Ohio and also during this time the first wife died. On 27 Jun, 1830, Peter Fair married his second wife, Sarah Surfus. The following eight children are the children of Peter Fair and Sarah Surfus.

Notes

Adam Shilling, son of John Shilling and wife, Barbara Oberlin Shilling, was born in Franklin County, Pennsylvania, February 11, 1792; died Oct. 17, 1881 at Spencerville, IN, at the home of his daughter, Mary Polly Houck. He married Mary Roan about 1813. He was a farmer, he also preached the Gospel. I have in my possession a certificate of scholarship to Heidelberg College, Tiffin, Ohio, 1853, which he purchased for $50. It is a three-year scholarship. He was well to do. When he came he brought a draft for $5,000, with which he bought land for his children, 160 acres for each son and 80 acres for each daughter. They were located in DeKalb County, Indiana. He is remembered by may of us as a sprightly old gentleman, with a plug hat and a gold-headed can. He liked to run a race with his great-grandchildren. He lived to be nearly 90. Some of his brothers were captured and carried off by the Indians.

John, the eldest son of Adam and Mary Roan Shilling, inherited the Stark County Homestead in Ohio. The others established residence in DeKalb County, IN.

Adam's family moved to Tuscarawas, Twp, Stark County, OH in 1816. In 1850, he moved to DeKalb Co, IN.

Notes

Among the leading farmers of DeKalb County, few are better known more extensively than Solomon Shilling. He was born in Stark County, Ohio, March 15, 1823, and is the son of Adam and Mary Shilling, natives of Pennsylvania, of German origin, who were among the early settlers of Stark County. Mr. Shilling's youth was passed in that county on his father's farm; and there he was married to Hester Blyler, November 16,1848; she is the daughter of Daniel and Elizabeth Blyler, natives of Pennsylvania, and of German descent. Mrs. Shilling was born in Summit County, Ohio, March 18, 1831, and has the following children--Daniel, J.R., William, Mary, Adam, Sarah, Frances, Hiram, John, Viena, and Dora H. In 1850, Mr. Shilling and family came to DeKalb County, Indiana, and settled in Section 19, Concord Township, on 160 acres of wild land, but by industry and economy he has added to this until now he has 400 acres of highly improved land, on which he has a house second to none in his township; a view of which is found in this Atlas. Politically he belongs to the Republican Party. He and his wife are members of the Methodist Church. He has been Township Trustee two consecutive terms; is the leading stock buyer of DeKalb County, and can safely be placed among the wealthy, self-man men of Northeastern Indiana. Mr. Shilling is slow at arriving at conclusions, but firm in sticking to the result of his deliberations. In his home he is kind and hospitable, and has the good will of all who know him.
--from Illustrated Historical Atlas of DeKalb County, Indiana, 1880

The one hundred and sixty that he (Adam Shilling) gave his son, Solomon, is now the present 160 acres that Howard and his wife, Ethel live on and is located in section 19 in Concord Twp, DeKalb, IN (Now Spencer Twp). It is now being farmed by their son, James.

Solomon then built a log house on the north eighty of this section of land. On this same strip of land is located what the state forester says is the state's third largest tree in Indiana. It is a white oak and supposed to be five hundred years old. It is twenty feet around, two feet above the ground.
